The Best of Ireland by Land & Sea 2023/2024

Ireland Golf Tours & Cruises for Men, Women and Couples

Links golf here is on steroids. You play through canyons of grass covered sand dunes in Ballybunion, Carne and Enniscrone. Hard by the sea at Lahinch, Narin & Portnoo and County Louth. Old Head plays 200 feet above the sea. Ten Irish clubs are found among the leading top 100 lists including world #1 Royal County Down by Golf Digest. Royal Portrush in Northern Ireland is the only club outside of Scotland and England to ever host The Open (1951, 2019, 2025).

There are three regions where the leading courses are clustered: Southwest, Northwest and Dublin/Northern Ireland. Six to eight night schedules will allow you to comfortably play the best 5-8 clubs in each region. We can highly recommend additional courses, or fewer, if you'd like more time to sightsee.

The game when you're not on the golf course is striking natural beauty, historic castles, lively pubs, charming coastal villages, famously friendly locals and nonstop fresh seafood.

Have a look inside. PerryGolf offers more tours and golf cruises to Ireland than any other operator for groups of men, women and couples.

Northwest Ireland A Secret No More

We are a Scottish company with endless admiration for links golf in Ireland. What Old Tom Morris, Pat Ruddy and Eddie Hackett have always known about this land of rugged rocky coastline and towering sand dunes is what Tom Doak and Gil Hanse have discovered in recent years. Doak's new St Patrick's Links at Rosapenna and Hanse's reinvention of Narin & Portnoo round out a stellar collection of nearly two dozen exceptional clubs in the region. PerryGolf president and co-founder Gordon Dalgleish describes the region which he toured last fall as "magnificent."

St Patrick's Links World #55 by GOLF Magazine

Tom Doak's first design in Ireland opened in 2021 and debuted as GOLF Magazine's 55th best in the world. Talk about a fast start. He fashioned the best dunes land from two existing courses into an entirely new routing aside from four of the original 36 fairways. This one is destined for greatness.

My 3 Favorite Schedules By Gordon Dalgleish

These three schedules could easily be modified to create 8 or 10 more depending on your vacation interests and how much time you have. But as a starting point for the golf and lodging I can recommend these highly. Six of the 19 clubs featured in the schedules are found among the world top 55; all 19 are among the top 42 in Ireland which is home to more than 400 courses.

Irish Links Golf Cruises

No destination on Earth is better suited to golf cruising. The courses are seaside and they are exceptional from Royal County Down and Royal Portrush to Old Head and Ballybunion. All four of our departures include Dublin and Belfast along with charming smaller ports like Cork (Cobh), Galway and Donegal. Our July 2024 voyage will sail through Scotland's magnificent Outer Hebrides before concluding in Oslo. Lock in early for the best suites at the best price.

NEWS RELEASE

April 23, 2022

2023/2024 British Isles Golf Cruises from PerryGolf Two Include Weekend Attendance to The Open.

(WILMINGTON, NC) PerryGolf's recently published portfolio of 2024 golf cruises adds five (5) departures for the British Isles bringing our total with 2023 to nine (9). The highlight of both years is our annual "British Isles Golf Cruise & The Open" with 6 or 3 rounds of golf plus attendance to The 151st Open at Royal Liverpool and The 152nd Open at Royal Troon for the final two rounds on Saturday and Sunday. Our 3-round Golf Lite program was reintroduced in 2022 for golf couples who prefer more time to sightsee.

Four (4) Irish Links Golf Cruises are scheduled ranging from 10-12 nights with 6 or 3 (Golf Lite is available on both 2023 voyages) rounds of exceptional play including famous links layouts like Royal County Down, Ballybunion and Royal Portrush.

Our last three (3) voyages will sail the majority of Scotland's coastline including a sensational 2-day passage through the Hebrides. "Scottish Links & Islands" include 10 or 11 nights with 5 rounds at links classics like Cruden Bay, Carnoustie, Royal Dornoch and Turnberry Ailsa.

We operate our golf cruises exclusively with Azamara® whose four (4) sister ships have proven ideal for our purpose. These 700-guest ocean liners are large enough to offer every amenity from specialty dining to live entertainment and The Sanctum Spa yet nimble enough to navigate small harbors for premium docking positions. Azamara® has pioneered the practice of "Destination Immersion" meaning more overnight stays in port and late-night departures for extended opportunity to explore ashore. Each vessel has 46 suites with balconies and butler service. The suites book quickly so we encourage our clients to lock in early for the best selection at the best price.

NEWS RELEASE

May 5, 2023

Sixteen of PerryGolf's 33 Golf Cruises in 2024/2025 Can Be Sailed Consecutively as Back-2-Back Voyages.

(WILMINGTON, NC) PerryGolf, the leading provider of worldwide luxury golf cruises, announces its unrivaled portfolio of "Back-2-Back" departures for 2024/2025. Seven such combinations are available in 2024, nine are available in 2025. All are offered onboard the intimate-sized fleet of sister ships operated by Azamara® Cruises for less than 700 guests.

Golf guests will typically number from 20 - 30 couples including non-golfing companions

Itineraries Range from 22 - 68 Nights with 11 - 27 Rounds of World Class Golf

There are four "Back-2-Back" combinations featuring two cruises, one with three cruises and one with five. In each case guests will sail throughout on the same ship and very possibly in the same cabin particularly if the booking is made suitably in advance. There are no gaps between any of the schedules and guests are not required to choose the golf program on every cruise.

As an example, from June 30 - September 6 in 2025 we will sail 5 consecutive cruises onboard the exceptional Azamara Journey beginning in Copenhagen and concluding in Portsmouth, England. Over 68 nights we will visit 44 ports offering 27 rounds of marquee golf, 10 of which are ranked among Golf Magazine's World Top 100. The 5 golf cruises include; Baltic Sea, British Isles & The 153rd Open with weekend attendance to golf's oldest major championship hosted by Northern Ireland's specular Royal Portrush, Norway, Scottish Links & Islands and Irish Links. A Club Continent Suite with butler service and balcony for 2 guests participating in all five golf programs during the 68 night voyage would price approximately \$125,000.

Golf couples who enjoy combining their love of the game with their passion for travel will find an Azamara + PerryGolf golf cruise ideal for both. Non-golfing companions will enjoy all aspects of a luxury cruise. Our all-inclusive golf packages are fully managed by PerryGolf staff onboard and ashore. Golf equipment is handled from start to finish and awaits our player's arrival at each course. Golf carts or caddies are ready with clubs in place. Daily pairings, range balls, box lunches and post round drinks in the clubhouse are coordinated along with exclusive PerryGolf social events onboard Azamara to create a relaxing and convivial environment. Dedicated transportation conveniently shuttles guests between the golf course and the ship. Gratuities are included except for caddies.
